

MAINE

Boat & Home Show

August 13-15

Gates open at 10:00 a.m. daily | No Pets

The 2021 show celebrates Maine's Bicentennial and pays homage to the state's boatbuilding history with **200 Years of Maine Boats**. Around the grounds, discover the historic and the new, the unique and the familiar, including birch bark canoes, peapods, knockabouts, and modern designs built with cutting-edge materials. As we once again gather together, there is even more reason to celebrate our wayfaring history, resiliency, and a bright future.
