News from our Sponsor:

Maine Coast Heritage Trust: Preserving the Coast

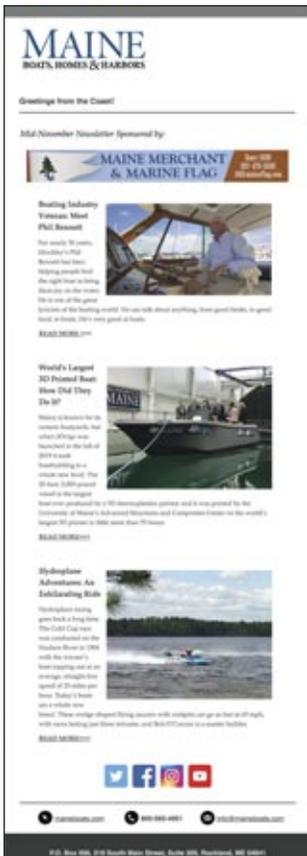

From the deck of a sailboat, Margaret "Peggy" Rockefeller fell deeply and completely in love with the Maine coast. For decades she spent summers with loved ones exploring islands surrounding her Mount Desert Island home, learning the rocky shorelines and quiet green coves, slips of sandbar and scrubbed spruce-fir forests. And, like anyone who has spent a good deal of time on the water, this perspective afforded her a unique relationship and intimacy with Maine's coastal lands.

SOUTHPORT BOATS

New 38FE: Proven Performance and The Famous 'Southport Ride'

FOR MORE THAN 20 YEARS, Southport Boats has been synonymous with maximum performance, cutting-edge composite construction, and the soft and stable 'Southport Ride' afforded through continuously variable-V design features.

Always with an eye toward product development and new, efficient propulsion systems, Southport Boats now introduces the 38FE as the big brother to the company's highly successful 38FE.

The 38FE has the proven Southport performance with the added level of comfort and convenience over Southport's, said George Mervais, a key contributor to the boat's innovative developments.

Like all Southports, the 38FE is designed for ergonomic versatility, maneuverability and stability. Key amenities include expansive teak work tops, swim platform, helm platform, seating area with 9 lapacette access, and a center helm location for 360° oil A-B foot double berth converts to dinette seating. 11 led deck throughout include reading lights, welcome lights, blue courtesy lights, soft headliner panels,

enclosed head with hot/cold shower. The model comes standard with twin Yamaha 450 XTO engines, Yamaha Helm Master EX Full Manoeuvrability control system, and 200-Watt AIS Automatic Trim System. Options include optional on-Mercury Hydrex or Volvo, Volvo Swelpher 4 gyro stabilizer with 600Ah battery bank and

ZURN YACHT DESIGN

Timeless Design, Modern Performance For Stellar Builders Since 1993

TIMELESS DESIGN and modern performance—that's the Zurn Yacht Design trademark.

Since 1993, Doug Zurn has produced 55 designs—52 powerboats and three sailboats—resulting in nearly 700 launches by stellar companies like C/O Marine, Hudson Marine, M&M Yachts, Brookman Yachts, Lynn-Moran, J/W Boat Company, New England Boatworks, Oller Marine, Boston Boatworks, Barton & Gray, and The Hinckley Company.

"All our boats are the result of taking advantage of design and materials for optimal handling and performance," said Zurn. "Zurn has spent years at sea—changing filters underway, standing around engine rooms. His experience shows through in his designs."

Recent projects? The 8844 offshore express cutter for Boston Boatworks is a 30-annealer craft, perfect for day use, overnights, and long-term cruising. Accommodations include large living and entertainment spaces, lots of natural light, transition door, large swim platform, and seamless details like

well-placed cleats and handholds, functional engine room access, and clean lines of sight from the helm.

The Dayhailer 48, for the Barton & Gray Mariners Club in Portsmouth, New Hampshire, is a sociating showboat with bow lounge, chaise longue bar and galley, air dock, and ample stern area for water sports and the beach. Amenities include a roomy head with full shower, ventilation, defrost, and leading-edge technology.

Whether production or custom, the process is about listening to clients and translating their ideas into detailed specifications and drawings.

"The reward for me is to see the way my clients enjoy using my designs," Zurn said.
